SANI-MATE AIR PURIFIER

Bathroom Ionic Air Purifier uses a patented and proven ionic air purification system that works continuously to reduce airborne pollutants up to 90%.

Model #: SANI-MATE

Flushing toilets releases an explosion of airborne germs that can coat surfaces in the bathroom with fecal contamination. This easy to use, direct AC wall plug in unit reduces:

- ✓ Odors
- ✓ Perfumes
- ✓ Dust
- ✓ Molds
- ✓ Smoke
- ✓ Allergens
- ✓ Bacteria

Also features a night light.

AUTO-MATE AIR PURIFIER

Automobile Air Purifier for healthier air wherever you go. Removes road pollutants up to 90% from car interiors.

Model #: AUTO-MATE

Automatic 12 volt cigarette lighter plug-in is easy to use, and reduces:

- ✓ Exhaust Fumes
- ✓ Mold
- ✓ Bacteria
- ✓ Road Dust
- ✓ Cigarette Smoke
- ✓ Allergens

This unit will not produce electrostatic shocks like other ionizers.
